

Vector Industries, Inc.
“Quality Products with Superior Service”

Introducing: *New Product Line*

We are pleased to announce the addition of our NEW 300 PSI **BUTTRESS** **THREADED** tanks and closures to our product line.

Based on the specifications required;
You will be able to choose
200PSI; 1 /4 turn fleck style closure,
or
300 PSI **BUTTRESS THREAD**
closures.

The use of **BUTTRESS** **THREADS** requires less radial force for installation and removal of closures; while yielding maximum strength.
